

Yeh aanken mila na bhi acha
Par mile to churana buri baat hai
Jab milali hain aanken to dil bhi mila
Yeh aanken mila na bhi acha
Kya kahe ga zamaana buri baat hai

Ye aanken mila na bhi acha
Par mile to churana buri baat hai

Raat din aap hi se ulajte rahein
Raat din aap hi se ulajte rahein
Raat din aap hi se ulajte rahein
Kab talaq aise tanha se lagte rahein
Kab talaq aise tanha se lagte rahein
Zindagi ki undheiron mein jalte rahein
Jal gayi hai jo jal gayi hai jo
Aap bhujja de na
Aap bhujja de na
Jal na sham mein mohobbat ka acha nahi
Par jale jo bhujana buri baat hai
Ye aanken mila na bhi acha
Par mile to churana buri baat hai

Dil deewana bane na kahi ka rahe
Dil deewana dil deewana
Dil deewana bane na kahi ka rahe
Dil deewana bane na kahi ka rahe
Aur sitam ishq ke chhup hi sahta rahe
Aur sitam ishq ke chhup hi sahta rahe
Aapse ek bhi na ye shikwa kare
Ishk me hamko aazma lijiye
Aazma lijiye aur ye sun lijiye
Ishk khud aazmayish hai sabse badi
Ishk khud aazmayish hai sabse badi
Ishk ko aazmana buri bat hai
Yunh to aankhe milana bhi acha nahi
Par mile to churana buri bat hai

Katal karte hai woh par woh katil nahi
Katal karte hai woh par woh katil nahi

Katal karte hai woh par woh katil nahi
Bekhabar jo bane hai woh kafir nahi
Bekhabar jo bane hai woh kafir nahi
Dhadkano me ham unki jo shamil nahi
To bataye woh dil lagaya kyu
Aur lagaya to yad rakhe woh
Yunh to dil ka lagana bhi acha nahi
Yunh to dil ka lagana bhi acha nahi
Par lage to chupana buri bat hai
Yunh to aankhe milana bhi acha nahi
Par mile to churana buri bat hai
Jab mila li hai aankhe to dil bhi mila
Dil bhi mila dil bhi mila
Jab mila li hai aankhe to dil bhi mila
Kya kahega jamana buri bat hai
Yu to aankhe milana bhi acha nahi
Par mile to churana buri bat hai.
