

# Burn It Down Lyrics

---

Sunke bhi duniya ki laakhon khari-khotiyaan  
Unse lee aag humne badle mein di rotiyaan

Tamaam deewarein charon taraf jo jahaan uthaaye  
Tamaam pinjare mujhe gherne ko jo hain banaaye

Now watch me burn it down  
Watch me watch me  
Watch me burn it down  
Watch me watch me  
Watch me burn it down

Watch me watch me  
Watch me burn it down  
Watch me watch me  
Watch me burn it down

Humse chale ye jahaan  
Tham gaye toh tham gayi hawa  
Na shukriya na dua miley kabhi

lyrics

Bata tu kaun hai phir jo mujhpe hukum chalaaye  
Bata main kaun hoon mujhko kyon koi aur bataaye  
Hata rangat pe meri jo tune ye rang chadhaaye  
Hata parde zubaan pe meri tune jo lagaaye

Now watch me burn it down  
Watch me watch me  
Watch me burn it down  
Watch me watch me  
Watch me burn it down
