

Ek tu si ek main si
Phir love di embassy
Ek tu si ek main si
Phir love di embassy
You talking to i
Chidiya kardi fly
I'm buzzing baby
Ab naa ho tu shy

O teri lakh lakh ki bangle
Tere cham chamaande sandal
Teri lakh lakh ki bangle
Tere cham chamaande sandal
Ni kudiye ni kudiye
Ni kudiye ki kariye

You got me going crazy
With your butt patlo
You got me going crazy
With your butt patlo

You got me going crazy
With your butt patlo
You got me going crazy
With your butt patlo

Round and round
Your butt is going round
Now round and round
Your butt is going round

Round and round
Your butt is going round
Now round and round
Your butt is going round

Tere nain naagini tere
Haaye pai gaye
Pichche mere
Tu lai le meri jaan
O kudiye boloon

BHARAT
lyrics

Shaam savere

Tere nain naagini tere
Haaye pai gaye
Pichchhe mere
Tu lai le meri jaan
O kudiye boloon
Shaam savere
Ab na kar nakhre soniye
Gal meri sunti jaa

You got me going crazy
With your butt patlo
You got me going crazy
With your butt patlo

Round and round
Your butt is going round
Now round and round
Your butt is going round

Round and round
Your butt is going round
Now round and round
Your butt is going round.
