---

Inthakanna manchi polikedhi  
Naaku thattaledhu kaani ammu  
Ee love anedhi bubble gum'u  
Antukunnadhante podhi nammu  
Mundununchi andharanna maategaani  
Mallo antunnane ammu  
Idhi cheppakunda vacche thummu  
Premanaapalevu nannu nammu

Ettaga anae yedhuru choopuki  
Thaginatugaa nuvu badhulu chebithive  
Arey devudaa idhendhananentha lopate  
Pillada anta dhaggarai  
Nannu cheradeesthiva

Butta bomma butta bomma  
Nannu suttukuntive  
Zindagike atta bommai  
Janta kattukuntive  
Butta bomma butta bomma  
Nannu suttukuntive  
Zindagike atta bommai  
Janta kattukuntive
