Char vaje bebe roz paath kardi
Ji sanu hasde dekhan nu

O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu
O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu

Haye saikalan ton holi-holi gaddiyan te fer
Kure jajan te chade
O disde ni photoan ch khade
Udon billo jihde naal nahi khade

O shukar babe da ine joke karte
Khali si purse notaan nal bharte
Bapu kinian de bibi dekhi
Utte thalle hone behja jach ke dekhan nu

O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu
O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu

O bhule taan nahi jande challe hathan de kure
Na bhule jande safar oh bassan de kure
O chadde ni pair bhaave pairan sir ho gaye je
Pichla vi time yaad rakhange kure

O sochde taan hune jatt sira lai aunda
Vardi ch dekhne wala vi neki paunda
Ajj taur dekhe unhan di vi laat wajdi
Jo siwa kale si sekan nu

O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu
O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu

Ho tute manje utte pe ke adhi raat nu ni
Gine bare tuttde taare
Ho kade vihle time aai time kadh ke ni
Dassu tainu zindagi baare

Sidhu jajjal wale ne kukk jade baliye
Geet zafar de duddh wangu kade baliye
Ho hun kithon le ke ni shareek dil aunde
Sanu vasde dekhan nu

O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu
O kothi moohre jatt ne lavata camera ni
Loki machde dekhan nu
