

Casa Tupka Anthemo Lyrics

Tara rum bam bam bam bam
Tara rum bam bam bam bam
Tara rum bam bam bam bam

Imma shake yo world imma break it down
Teekha eyeliner lemme fix that crown
Juuls on my body gold and brown
Now bow down

Mera nasha chadhe sir pe hai zehreela
Imma spin your head jaise tequila
Vision so bright ye na dekh pa re
Gold waist chain maare lashkaare

Ain't no gold digger chaubis carat soul meri
Dil hue chori sab ke international robbery
Duniya ramp walk slow motion confetti
Sunu na kisi ki coz m not yo property

Party karni party pehle yo yo bulao
Police toh agayi ab aunty bulao
Party all nighter kambal uthao
Mere hatero ko pehle thode chole khilao

Mujhsa sexy kaun mujhsa sexy kaun
Daadi salt and pepper rakhi mujhsa flexy laun
Bada hot hai weather jab baje reggaeto
Lemme take you baby girl chalo mexico

Teri vodka kahan gayi kya hua biki ni
Chal kaam band kar pehen aaja bikini
Rakhlu kya kaam pe leliyo salary
Aya jo mai wapis inki shakle bhi dikhi nahi

Baitha mai toh peak pe
Ab tamasha dekhunga
Mota paisa hai kamaya
Mota paisa faekunga

Bina piye udu mai
Mujhe neeche khicho na
Daaru peeni chori maine
Ab bus baechunga
