

Chaaha tha chaaha hai chaahte rahenge
Tumko sanam bar bar
Chaaha tha chaaha hai chaahte rahenge
Tumko sanam bar bar
Karte the karte hai karte rahenge
Hum tumhi se pyar
Chaaha tha chaaha hai chaahte rahenge
Tumko sanam bar bar
Karte the karte hai karte rahenge
Hum tumhi se pyar

Naye naam honge naye roop honge
Magar hum tumhare rahenge
Naye naam honge naye roop honge
Magar hum tumhare rahenge
Tere liye hi banayega humko
Yahi khuda se kahenge
Jeeyenge mareng mareng jeeyenge
Rahenga tera intzar
Karte the karte hai karte rahenge
Hum tumhi se pyar
Chaaha tha chaaha hai chaahte rahenge
Tumko sanam bar bar
Karte the karte hai karte rahenge
Hum tumhi se pyar

Jaha bhi rahe hum chale aaye janam
Hume tumne jab bhi pukara
Jaha bhi rahe hum chale aaye janam
Hume tumne jab bhi pukara
Hamari mohabbat ke dariya ka koi
Milta nahi hai kinara
Hamare liye tum tumhare liye hum
Rahenge hui bekarar
Karte the karte hai karte rahenge
