

Chand mera naraz hai  
Na baat kare, na milta hai  
Kaise usko samjhaaun  
Na samjhe rishta dil ka hai

Hafton se kitne  
Usne na baat ki  
Mujhko pata bhi nahi  
Kis baat ki naraazgi

Chaand mera naraaz hai  
Na baat kare na milta hai

Kaise usko samjhaaun  
Na samjhe rishta dil ka hai

Bheed hai itni duniya mein par  
Koi na apna dikhta hai  
Log hain pagal kya samjhe jo  
Tera mera rishta hai  
Tujhko bhi toh hai na mohabbat  
Phir kyun doori rakhta hai

Na shab mein na subah mein  
Na shaam dhale woh milta hai  
Kaise usko samjhaaun  
Na samjhe rishta dil ka hai

Rasmein aisi duniya ki hain  
Jinse dil yeh darra hai  
Dil bebas hai milna chaahe  
Yeh rota hai tadapta hai

Dil mar sakta hai toh tere bin  
Par ab jee nahi sakta hai

Tere bin beete jo pal  
Har pal lagta mushkil sa hai  
Mujhko baat pataa hai yeh  
Main samjhun rishta dil ka hai

Hafton se kitne  
Usne na baat ki  
Mujhko pataa bhi nahi  
Kis baat ki naraazgi

Chand mera naraz hai  
Na baat kare na milta hai  
Kaise usko samjhaun  
Na samjhe rishta dil ka hai.
