

Chahe kismat hamko rulaye  
Or apna paraya samjhaye  
Chahe dunia lakh sataye  
Tera mera pyar na jaye  
Ha mera tera pyar na jaye

Chahe naina deep bujh jaye  
Or jab me andhera cha jaye  
Chahe jan bhi meri jaye  
Tera mera pyar na jaye  
Ha mera tera pyar na jaye

Tu samne ho mai roya karu  
Aasuwan har piroya karu  
Tu samne ho mai roya karu  
Aasuwan har piroya karu  
Is but ki pooja karta rahu  
Is but ki pooja karta rahu  
Bas or tamanna koi nahi koi nahi  
Yahi pada rahu charanan me  
Tu basi rahe mere man me  
Jab tak hai jan hai mere tan me  
Tera mera pyar na jaye  
Ha mera tera pyar na jaye

Tu jo gaya khusiya na rahi  
Ji ghut gaya aankhe bhi gayi  
Tu jo gaya khusiya na rahi  
Ji ghut gaya aankhe bhi gayi  
Haye thokre dunia bhar ki

Haye thokre dunia bhar ki  
Hai kaun kaha koi nahi  
Dil bhi nahi

Chahe pag pag thoakr khau  
Bich dagar thak jau  
Chahe tadap tadap mar jau  
Tera mera pyar na jaye  
Ha mera tera pyar na jaye

Chahe dunia lakh sataye  
Tera mera pyar na jaye  
Ha mera tera pyar na jaye  
Chahe jan bhi meri jaye  
Tera mera pyar na jaye  
Ha mera tera pyar na jaye.
