

Chahne wale aaj milte hai
Chha gaye badal phool khilte hai
Kitne sukun mein dil hai
Payi jo ye manzil hai
Geet gati hai zindagi meri
Ban gayi jo main hamsafar teri
Kitne sukun mein dil hai
Payi jo ye manzil hai

Chalte chalte ye kaha hum
Aa gaye aa gaye
Mahke mahke saye dekho
Chha gaye chha gaye
Naram hawaye hai jaise
Sangeet ke bahte dhare
Sare manjar hai pyare
Lekin tum unse bhi pyare
Kho gaye hum tum pyar me aise
Baag me gum ho titliya jaise
Kitne sukun mein dil hai
Payi jo ye manzil hai

Panchhiyo ke gunjate hai
Chah chah chah chah
Kah rahe hai mano jo
Dil kahe dil kahe
Mausam leke aaya hai
Kaise rango ke mele
Lagta hai sari duniya mein
Hum dono hai akele
Ho gayi puri sari aasaye
Ghum nahi hoga ab jo mar jaye
Kitne sukun mein dil hai
Payi jo ye manzil hai

Chahne wale aaj milte hai
Chha gaye badal phool khilte hai
Kitne sukun mein dil hai
Payi jo ye manzil hai
