---

Hey chaka chakalathi nilave vaa  
Aasaikkum vetkam illai therinje vaa  
Hey chaka chakalathi mazhaiye vaa  
Mogamtha selai kattil mudinje vaa

Thada thada thadavena tharayila nadanthava  
Kanavula mithanthida kaninje vaa  
Sada sada sadavena kathaigala alanthava  
Thanimaiyil sirichida thuninje vaa

Usuru palangi pol uruttida vaa  
Ulagam urundaiyo porathida vaa  
Thodatha aasai thiri thoonda  
Maaman manasa mirattidava

Hey chaka chakalathi nilave vaa  
Aasaikkum vetkam illai therinje vaa  
Hey chaka chakalathi mazhaiye vaa vaa

Sengaandhal udhadu innume innume  
Yengatho thean oora  
Singara valaiyil saththame saththame
