

Chakravyuh ka chakra gira
 Hai kourav dal ki chaal hai
 Aaj kal ki chati per abhimanyu
 Jaisa bal hai samne is vyuh mein
 Pehle jaydrath aa gaye
 Veer abhimanyu ke hatho ye
 Bhi muh ki kha gaye pehale
 Socha maar dhalu kya yahi
 Satkarm hai fir kaha na marna
 Murchhit ko ghour adharm hai
 Chal kapat ki ye ladayi dekh kar
 Hoti vyatha saat yodhhao se
 Ladte ek balak ki katha
 Ye mahabharat ki katha
 Ye mahabharat ki katha

Samne dekha khade ye karan sar ucha liye
 Baan abhimanyu ka chhuta
 Baan abhimanyu ka chhuta
 Dhanush ke tukade kiye
 Hila dushasan ka aasan
 Hila dushasan ka aasan wo bhi
 Bhaga kanp ke kaun aage ayega
 Jwalamukhi is aag ke
 Ab lo dekho ab lo dekho
 Banjo ke pyare mama aa gaye
 Aaj ye pase na palte ulte jansa kha gaye
 Ithar dekho dhanurdhari shailya saj dhaj kar khada
 ye thi tuta is tarah jo dal se patta jada
 Jwal bhadki aaj duryodhan ki bhi na khair hai
 Aaj wish ugalega ye sadiyo purana wair hai
 Sabne socha is tarah balak ye bhaj na aayega
 Kut niti se ise maro tabhi mar jayega
 Ik taraf sato maharathi ek taraf balak akela

Fir jab tak pran tan mein kshatriyo ka khel khela
 Wah re wah pyare bhatije tujhse ujjval wansh hai
 Aa gale mil le gadi bhar tu hamara ansh hai
 Is tarah ek chal tapti chali duryodhan chala
 Gale milne ke bahane nij bhatije ko chala
