

Chal naache shor machaalein,
Chal naache saath mein gaalein
Chal naache kar le phir dhamaal
Chal naache shor machaalein,
Chal naache saath mein gaalein
Chal naache kar le phir dhamaal
Zindagi, ji le zindagi ke jo hai pal baaki
Zindagi, ji le auron ko bhi jine de saathi
Ras karle, ras karle,
Everybody come lets go crazy
Ras karle, ras karle,
Everybody come lets go crazy

Kal hoga kya yahaan o yaara,
Kisi ko bhi nahin yeh pata hai
Logo ke ghum ko jo baatate hain,
Woh hi toh jaante jeena kya hai
Honto se aansu hum toh chura le,
Haar koi na maane na
Chal na chal bhaag banaa le,
Chal naache mauj manaale
Chal naache kar le phir dhamaal
Chal naache shor machaalein,
Chal naache saath mein gaalein
Chal naache kar le phir dhamaal
Ras karle, ras karle,
Everybody come lets go crazy
Ras karle, ras karle,
Everybody come lets go crazy

Lets do the dhamaal baby....
Koi rahein nahin saath hardam,
Tera mera milan chaar din ka
Ruke nahin ka parinda,
Saanson ka yeh safar chaar din ka
Hum le maja sada zindagi ka,
Jaane koi ya jaane na
Chal naache shor machaalein,
Chal naache saath mein gaalein
Chal naache kar le phir dhamaal

Chal naache shor machaalein,
Chal naache saath mein gaalein
Chal naache kar le phir dhamaal
Zindagi, ji le zindagi ke jo hai pal baaki
Zindagi, ji le auron ko bhi jine de saathi
Ras karle, ras karle,
Everybody come lets go crazy.....
