

La la la la la la la la la
La la la la la la la la la
Laa la la la la la laa la
La la la laa la la laa

Tere mere naam ka charchaa
Galiyon mein hone lagaa hain
Log mujhe badnaam
Leke tere naam karte hain
Chal shaadi kar lete hain
Chal shaadi kar lete hain

Tere mere naam ka charchaa
Galiyon mein hone lagaa hain
Log mujhe badnaam
Leke tere naam karte hain
Chal shaadi kar lete hain
Chal shaadi kar lete hain
Tere mere naam ka charchaa

Laa la la la laa laa la la la laa
Jhooti kasmerein khaate khaate
Darrne lagi hoon aate jaate

O kasmerein nibhaayenge hai waada
Apna to nek hai iraada
Har gham baantenge hum aadha aadha
Aadha aadha aadha aadha

Aadha kya main puraa sehloongi
Kaanton pe guzaara kar loongi
Par ho naa jaaye judaa
Yeh soch ke hum darrte hain
Chal shaadi kar lete hain
Chal shaadi kar lete hain
Tere mere naam ka charchaa

Mausam hai bada aashiqaana
Aise mein hamein naa tadpaana

Hey taubaa tera aise sharmaana

Dheere se tera yun muskaana
Andaaz tera humdam pyaara pyaara
Pyaara pyaara pyaara pyaara

Har andaaz hai pyaara
Dena hoga tumko sahaara
Waada nibhaana kahi bhool
Naa jaana hum tumpe marte hain
Chal shaadi kar lete hain
Chal shaadi kar lete hain
