

One two chalu suru ho ja chala mukka  
Jama thappad laga takkar  
One two chal zara phir se gira niche  
Fasa tangadi laga langadi  
Gum na kar partener  
Ho gum na kar partener  
Pyar ke jung me sab kuch chalta hai  
De de le le  
Chalu suru ho ja chala mukka  
Jama thappad laga takkar  
One two chal zara phir se gira niche  
Fasa tangadi laga langadi

O zara phir se re maja aaya nahi  
Re maja aaya nahi  
O zara phir se re maja aaya nahi  
Koi kartab dikhlaya nahi  
Padi halki karari nahi padi  
Padi halki karari nahi padi  
Padi tumhari hamari nahi padi  
Ho zara phir se o majo aayo nahi  
Re majo re majo  
Gidad ki maut aati hai to

Kaha kitna burai na karo burai na karo  
Sulah kar lo ladai na karo ladai na karo  
Jo man jate to mar khate nahi  
Jo thik chalte to langdate nahi  
Kaha kitna burai na karo ladai na karo
