

Tirkit taal se lo chali kahani  
Panghat kaal se lo chali kahani  
Ho sarpat daudti hai fakt jubaani  
Chhut-put aashiqui  
Mein dhali kahani

Angin saal se hai wohi purani  
Tere mere ishq ki ye nayi kahani  
Aati kahaan se hai ye  
Jaati kahaan kya pata

Wo aa  
Ye chenab ka dariya hai  
Ye ishq se bharya  
Wo leharon pe balkhati  
Mahiwal se milne jaati  
Wo naam ki sohni bhi thi  
Mahiwal ki honi bhi thi

Lekin bhay kans ka  
Tha usko toh phir  
Vasudeva ne kanha ko lekar  
Jamuna se paar langaaya  
Keriya se toh firon ki  
Behna ne phir munh sa uthaya

Chali kahani chali kahani  
Chali kahani chali kahani  
Chali kahani chali kahani  
Chali kahani

Chali kahani chali kahani  
Chali kahani chali kahani  
Chali kahani chali kahani  
Chali kahani

Tirkit taal se lo chali kahani  
Panghat kaal se lo chali kahani  
Sarpat daudti hai fakt jubaani  
Chhut-put aashiqui  
Mein dhali kahani

Angin saal se hai wohi purani  
Tere mere ishq ki ye nayi kahani  
Aati kahaan se hai ye  
Jaati kahaan kya pata

Birha ka dukh kaahe ho baanke  
Dikhe mohe tu hi jo  
Jiya mein jhaankiye  
Pal pal ginti hoon aathon hi pahar  
Kitne baras huey mohe haan kiye  
Naina nihaaro more bhor se jhare

Preet mori piya baaton se na aankiye  
Main hi mar jaaun  
Ya mare dooriyan  
Dooriyon ki chadaron  
Pe yaadein taankiye

Wo utha virodhi parcham  
Mughal-e-azam ko tha ye hamm  
Shehzada mohabbat karke  
Izzat ka karega kachra

Roja ki thi helen  
Tha ik mee rakhsha mein raavan  
Antat bhishan yudhum krandan  
Mera to ranjhan mahi ranjhan ranjhan.
