

Chalo chale chalo chale  
Dil le chale le chale jaha  
Aji dur badi dur  
Jaha mile zameen se aasma  
Chalo chale chalo chale  
Dil le chale le chale jaha  
Aji dur badi dur  
Jaha mile zameen se aasma  
Chalo chale

Kya faila hai tera aachal  
Ye aaj uthi hai dil me  
Kyu ek nirali halchal  
Kya hai raz kahdo aaj  
Jo bhi dil pe chupi hai dasta

Chalo chale

Tu hai sath to kya muskil hai  
Jaha tu hai wahi manzil hai  
Kya soche kaha hai jana  
Jab de hi diya tujhe dil hai  
Aaja meet gale geet  
Kahi ruth na jaye ye sama  
Chalo chale

Udti julfo ko sambhalo  
Ab aur na jadu dalo  
Ye jadu to chalke rahega  
Chahe kitna bhi dil ko bacha lo  
Mile nain gaya chain  
Yahi hota hai milte hai dil jaha  
Chalo chale chalo chale  
Dil le chale jaha  
Aji dur badi dur  
Jaha mile zameen se aasma  
Chalo chale.
