

Chamko chamko bijaliya ha bijaliya o bijaliya
Chamak chamak chamak bijaliya chamko
Mere man ka andhera ho door ho door
Mere man ka andhera ho door
Daminiya damko bijaliya chamko
Chagli ghan chham chham chham
Chham chham chhamko chamko chamko

Ho ho re baadal
Kaise chamke bijaliya
Sajan bina kaise chamke
Kaise chamke bijaliya
Sajan bina kaise chamke
Apne man ha ha re balam
Man mein chhipa lo
Ham ko o bhole baalam
Man mein chhipa lo
Ham ko hum ko
Chagli ghan chham chham
Chham chham chham chhamko chamko
Chamko chamko bijaliya chamko
Chamko chamko bijaliya o
Bijaliya zara chamko chamko
Chamko chamko chamko
Chamko chamko chamko

Sabki raato se sundar aaj apni raat ho
Sabki baato se niralai aaj apni baat ho
Aaj kuchh naye dhang ki apni mulakat ho
Ha apni mulakat ho aaj apne pyar ki
Aaj apne pyar ki baalam pahli barsat ho
Bijali tori aankho mein aag bhari hai
Badal ki aankho mein paani
Phir kyu dono ke naina mile hai
Tum kya jaano prem ki duniya hai diwani
Chalo sajanwa chalo sajanwa
Chalo sajanwa chalo sajanwa
Ham tum unche aakash pe jhula bandhe
Ham tum unche aakash pe jhula bandhe

Jhoom jhoom kar main jhulu
Main jhulu ha main jhulu
Jhoom jhoom kar jhoom jhoom
Kar main jhulaaau tumko
Chagli ghan chham chham chham
Chham chham chhamko chamko
Chamko bijaliya o bijaliya zara
