

O ho... de re na...
de re na...
ra ra ra...

Kajle ton zyada kaale
Lagde ne eh ujaale
Tere bin ohvein mahiya
Thandiyan hawawan aayiaan
Neendran udaa le gayian
Akh na eh sove mahiya

Teriyan vich jagdi rahi main taan
Taareyan de saath ve
Chan kitthan guzari oye...
O chan kitthan guzari oye raat ve
Sachi dass de jaa eh baat ve
Chan dino' zara mehsoos taa kar
Mere naina di barsaat ve

Chan kitthan guzari oye...
Chan kitthan guzari oye raat ve

Tutte tareyan ton mangna main kee ve?
Tere naal mera laggna ae jee ve
Oh..
Tutte tareyan ton mangna main kee ve?
Tere naal mera laggna ae jee ve

Tere bin mere saah nahi chalne
Ik tere vich meri hai zindagi ve

Chann bani tu pattharan di tarah
Kade samajh mere jazbaat ve
Chan kitthan guzari oye...
Ho chan kitthan guzari oye raat ve

Channa haaye!

Tere khayalan di tasveer leke
Vekhan tere raste raahan utte beh ke

Bhull gaya tu vi waade tere
Aavega tu chheti chheti
Gaya si eh keh ke

Chann daraan kithe ki reh na jaave
Teri parchaai mere haath ve
Chan kitthan guzari oye...
Ho chan kitthan guzari oye raat ve.
