

Chan Vekhya Song Lyrics

Yeah proof!

Haase mere vekh bullan utton girde
Thoddi thallon hoke chunni aundi sir te
Har gustakhi teri maaf kar doon
Chunni naal gile saare saaf kar doon

Bina gallon suit je siwa le sohneya
Baala nu vi val je pawa le sohneya
Tere naal marna jeona lagde
Haaye..

Aukha unjh bada hi manauna lagde
Gusse vich jatta hor sohna lagde
Ikko takk nazran nu bann vekhya
Inni kolo pehli vaari chan vekhya

Aukha unjh bada hi manauna lagde
Gusse vich jatta hor sohna lagde
Ikko takk nazran nu bann vekhya
Inni kolo pehli vaari chan vekhya
Chan vekhya

Bhardi hungara mera maan rakh li
Mundri fada ji bhavein jaan rakh li
Saalan tak ohda na swaad mukkn
Neevi paake nazran nu taan nu chukkna

Jannat de varge tikane sohneya
Modde tere bange sirahne sohneya
Sach aakhan mainu tu rawauna lagde
Haaye..

Aukha unjh bada hi manauna lagde
Gusse vich jatta hor sohna lagde
Ikko takk nazran nu bann vekhya
Inni kolo pehli vaari chan vekhya
Chan vekhya

Fikke na pasand aaun pawan goodiyan
Khabbe gutt vich jatta 12 chudiyan
Chandi diya jhanjran wakhavan jaanke
Turri aundi addiyan halawa jaan ke

Geetan vich jehda mainu khaas likhde
Kade kade gifty romance likhde
Chain mera ohne hi churauna lagde
Churauna lagde

Aukha unjh bada hi manauna lagde
Gusse vich jatta hor sohna lagde
Ikko takk nazran nu bann vekhya
Inni kolo pehli vaari chan vekhya
Inni kolo pehli vaari

Kardi udeek tera raah main vekh di
Ungal dawale chunni nu lapet di
Baitha ae clip zulfan te chadh ke
Addi naal jehda main leya si add ke

Sohne sohne jatta mere sang varge
Jinne din chadhe tere rang varge
Neendan vich mainu tu satauna lagde
Haaye..

Aukha unjh bada hi manauna lagde
Gusse vich jatta hor sohna lagde
Ikko takk nazran nu bann vekhya
Inni kolo pehli vaari chan vekhya

Aukha unjh bada hi manauna lagde
Gusse vich jatta hor sohna lagde
