

Chand aahen bharega
Phool dil thaam lenge
Chand aahen bharega
Phool dil thaam lenge
Husn ki baat chali to
Sab tera naam lenge
Chand aahen bharega

Aisa chehra hai tera
Jaisa roshan sawera
Jis jagah tu nahin hai
Us jagah hai andhera
Aisa chehra hai tera
Jaisa roshan sawera
Jis jagah tu nahin hai
Us jagah hai andhera
Kaise phir chain tujh
Bin tere badnaam lenge
Kaise phir chain tujh
Bin tere badnaam lenge
Husn ki baat chali to
Sab tera naam lenge
Chand aahen bharega

Aankh naazuk si kaliyan
Baat misri ki daliyan
Honth ganga ke saahil
Zulfen jannat ki galiyan

Baat misri ki daliyan
Honth ganga ke saahil
Zulfen jannat ki galiyan
Teri khatir farishte
Sar pe ilzaam lenge
Teri khatir farishte
Sar pe ilzaam lenge
Husn ki baat chali to
Sab tera naam lenge
Chand aahen bharega

Chup na hogi hawa bhi
Kuch kahegi ghata bhi
Aur mumkin hai tera
Jikr kar de khuda bhi
Chup na hogi hawa bhi
Kuch kahegi ghata bhi
Aur mumkin hai tera
Jikr kar de khuda bhi
Phir to patthar hi shaayad
Jabt se kaam lenge
Phir to patthar hi shaayad
Jabt se kaam lenge
Husn ki baat chali to
Sab tera naam lenge
Chand aahen bharega
Phool dil thaam lenge
Husn ki baat chali to
Sab tera naam lenge
Chand aahen bharega.
