

Chand aasmano se laapata ho gaya
Chal ke mere ghar mein aa gaya, aa gaya
Main khush-kismat hoon bakhuda iss tarah

Ho jaaye poori ik duaa jis tarah

Tere bin meri jaana kabhi
Ik pal bhi guzaara nahi
Teri aarzoo ne khud se begana kar diya
Chaand aasmano se lapata ho gaya
Chal ke mere ghar mein aa gaya, aa gaya

Maine tujhe tohfe mein ye dil diya
Tune mujhe badle mein ye jahaan diya
Main hi jaanu, tu hi jaane jo hai darmiyaan
Tujh se hai meri jaana ghar ye aashiyaan..

Tere bin meri jaana kabhi
Ik pal bhi guzaara nahi
Teri aarzoo ne khud se begana kar diya
Chand aasmano se lapata ho gaya
Chalke mere ghar mein aa gaya, aa gaya

Tune mere raaston ko manzil kiya
Tujhe paake zindagi ko haasil kiya
Tere liye hai ye saansein, tay kar liya
Tu hai toh hai ye kahaani, mere saathiya

Tere bin meri jaana kabhi
Ik pal bhi guzaara nahi
Teri aarzoo ne khud se begana kar diya
Chand aasmano se lapata ho gaya
Chalke mere ghar mein aa gaya, aa gaya.
