

Chand ke saath kal raat chalata raha  
Raatbhar chandani bhi barasati rahi  
Chand ke saath kal raat chalata raha  
Raatbhar chandani bhi barasati rahi  
Man mein dudh dard kitane samete huye  
Man mein dudh dard kitane samete huye  
Vedana nissaran ko tarasati rahi  
Chand ke saath kal raat chalata raha  
Raatbhar chandani bhi barasati rahi  
Chand ke saath

Saanjh se hi mujhe chand yuun hi dikha  
Smriti pat par bhi vividh chitra uthane lage  
Saanjh se hi mujhe chand yuun hi dikha  
Smriti pat par bhi vividh chitra uthane lage  
Sneh ke preeti ke vedana granth ke  
Sneh ke preeti ke vedana granth ke  
Bas parat dar parat prishth khulane lage  
Chand ke saath kal raat chalata raha  
Raatbhar chandani bhi barasati rahi  
Chand ke saath

Man mein dukh dard ke jwaar uthane lage  
Vedana geet ban ban umadane lagi  
Man mein dukh dard ke jwaar uthane lage  
Vedana geet ban ban umadane lagi  
Chand taaron ko chhune ki jo thi lalak  
Chand taaron ko chhune ki jo thi lalak  
Ban kasak phir umadane ghumadane lagi  
Chand ke saath kal raat chalata raha  
Raatbhar chandani bhi barasati rahi  
Chand ke saath

Raat jab chand ka sang mil hi gaya  
Baat hi baat mein baat badhati gayi

Raat bhar ho drawit geet banati gayi  
Chand ke saath kal raat chalata raha  
Raatbhar chandani bhi barasati rahi  
Man mein dudh dard kitane samete huye
