

Chand roz aur meri jaan fakat chand hi roz  
Julm ki chhav me dum lene pe majhbur hai hum  
Ek jara aur sitam seh le, tadap le role  
Apne ajdad ki miras hai, mazur hai  
Chand roz aur meri jaan fakat chand hi roz

Jism par kaid hai, jazbat pe janjire hai  
Fikr mahbus hai, guftar pe tazire hai  
Aur apni himmat hai ki  
Hum fir bhi jeeye jate hai  
Zindagi kya kisi mufliis ki kaba hai  
Bharatlyrics.com  
Jisme har ghadi dard ke pehband lage jate hai  
Chand roz aur meri jaan fakat chand hi roz

Lekin ab julm ki miyad ke din thode hai  
Ik jara sabr ke faryad ke din thode hai  
Arsa ye dehar ki jhulsi hui virani mein  
Humko rehna hai par yuhi to nahi rehna hai  
Ajnabi haatho ka benam karabar sitam  
Aaj sehna hai hamesha to nahi sehna  
Chand roz aur meri jaan fakat chand hi roz

Ye teri husn se lipti hui alam ki gard  
Apni do roj jawani ki shiksto ka shumar  
Chandni raato ka bekar dhehakta hua dard  
Dil ki besud tadap jism ki maayus pukar  
Chand roz aur meri jaan fakat chand hi roz  
Chand roz aur meri jaan fakat chand hi roz.
