

Chaand saa chehra liye ghata si zulfen liye
Phoolo ki khushboo liye tum chale aao
Uda do neende meri banado deewana
Magar jaane jaana mere ho jao
Dil de raha hai jo baar baar
Meri jaan sunlo sadaa
Bharatlyrics.com

Chaand saa chehra liye ghata si zulfen liye
Phoolo ki khushboo liye tum chale aao
Uda do neende meri banado deewana
Magar jaane jaana mere ho jao

Mere khayaalo mein kaliyan khilaati hai
Narm hoton ki woh muskurahat sanam
Aati hai reh reh ke kyun raat din mujhko
Tere sokh kadmon ki aahat sanam
Kab se meri yeh pyaasi nazar
Dekhe tera raastaa

Chaand saa chehra liye ghata si zulfen liye
Phoolo ki khushboo liye tum chale aao
Uda do neende meri banado deewana
Magar jaane jaana mere ho jao

Mehekta huaa apna aanchal liye
Chali aao kehta hai ye dil tumhein
Chal pade hai hum teri raaho mein
Ke maana hai iss dil ne manzil tumhen
Naa tod na ab dil mera tumhein pyar ka vaasta
Chaand saa chehra liye ghata si zulfen liye
Phoolo ki khushboo liye tum chale aao
Uda do neende meri banado deewana
Magar jaane jaana mere ho jao.
