

Chand se parda kijiye,  
Ha chand se parda kijiye  
Kahi chura na le chehre ka noor  
Eye mere ham nawa,  
Eye mere huzoor,  
Eye mere ham nawa,  
Eye mere huzoor  
Ha chand se parda kijiye

Julfo se uddi khushboo pyar ki,  
Hotho par khilgai kaliya bahar ki  
Hotho par khilgai kaliya bahar ki  
Hotho par khilgai kaliya bahar ki  
Phul se parda kijiye,  
Ha phool se parda kijiye  
Kahi chura na le chehre ka noor  
Eh mere ham nawa, eh mere hazur,  
Eh mere ham nawa, eh mere hazur  
Ha chand se parda kijiye

Lagti ho kisi sayar ka khyal,  
Aisi sadagi to hai khud mein bemisal  
Aisi sadagi to hai khud mein bemisal  
Khud se parda kijiye,  
Ha khud se parda kijiye  
Kahi chura na le chehre ka noor  
Eh mere ham nawa, eh mere hazur,  
Eh mere ham nawa, eh mere hazur  
Haa chand se parda kijiye

Has de aap agar banjaye dasta  
Has de aap agar banjaye dasta  
Palke jo jukhi kahi jukjaye aasma  
Palke jo jukhi kahi jukjaye aasma  
Rab se parda kijiye  
Rab se parda kijiye,
