

Ye kismat hai ye chij kya hai
Bhujta dhua jalta diya
Ya din ko palata dhua rat ka
Nasha hai nasha nasha hai nasha
Ye jal jata hai rat ban kar
Ye jal jata hai rat ban kar
Ya bhujte huye din ka
Shama hai shama shama hai shama
Chand varga tujhko khuda
Kya kahe tu haqnuma
Chand varga tujhko khuda
Kya kahe tu haqnuma
Kuchh tum bhi shila ko chahoge
Mere halat se kya paoge
Kuchh tum bhi shila ko chahoge
Mere halat se kya paoge
Tu khush rahna in sazo se nikle yahi dua
Chand varga tujhko khuda
Kya kahe tu haqnuma

Vapas ke kinaro se ab kuchh bhi nahi hasil
Hurkat ki panho mein roshan si hai manzil
Vapas ke kinaro se ab kuchh bhi nahi hasil
Hurkat ki panho mein roshan si hai manzil
Bhige naina is tufa mein
Ab na chaina is saza mein
Ab na samjhe abkharo se jalti nahi shama
Ye kismat hai ye chij kya hai
Bhujta dhua jalta diya
Ya din ko palata dhua rat ka
Nasha hai nasha nasha hai nasha

Wo rahe mohabbat ki humse na huyi aashiq
Ek huke aaho mein tujhko to mile manzil
Wo rahe mohabbat ki humse na huyi aashiq
Ek huke aaho mein tujhko to mile manzil
Tu khush rahna is jaha mein
Kuchh na sahna is jaha mein
Mang le kuchh bhi is duniya
Se jo hai teri raza

Chand varga tujhko khuda
