

Chanda chhode chandani
Chanda chhode chandani
Chahe suraj chhode roshni
Par hum tum hum tum
Sari zindagi sath na chhodenge
Chanda chanda chhode chandani
Chahe suraj chhode roshni

Chalte chalte mil jati hai
Aasma se dharti jaise
Aasma se dharti
Dhire dhire bas jati hai
Do dilo ki basti aise
Do dilo ki basti
Tere mere ek hai sapne
Tere mere ek hai sapne
Sath na chhodenge
Chanda chanda chhode chandani
Chahe suraj chhode roshni

Baithe baithe aa jati hai
Yaad kabhi jo purani
Yaad kabhi jo purani
Tere siva yeh sari duniya
Lagti hai begani

Haye lagti hai begani
Yaad karo wo wade apne
Yaad karo wo wade apne
Sath na chhodenge
Chanda chanda chhode chandani
Chahe suraj chhode roshni.
