

Naina to dukhan laage  
Panth nihare nihare  
Aur dhadakan papiha bani  
Bharatlyrics.com  
Piya pukar pukar  
Chanda re mori patiyen le ja  
Patiyen le ja  
Saajan ko pahuncha de re  
Wo likh sake jawaab unhein tu  
Mera pata bata de re  
Chanda re  
Chanda re mori patiyen le ja  
Patiya le ja  
Sajani ko pahuncha de re  
Wo likh sake jawaab unhein tu  
Mera pata bata de re

Palakon ki hai kalam banaayi  
Kaajal bah kar bani siyaahi  
Kaise likhun kahaani gam ki tu hi  
Mujhe bata de re  
Chanda re mori patiyen le ja  
Patiyen le ja  
Sajan ko pahuncha de re  
Chanda re

Ham khush hain gam diya hai tune  
Ye ehasaan kiya hai tune  
Jahaan raho khush raho meri  
Is duwa ka asar dikha de re  
Chanda re mori patiyen le ja  
Patiyen le ja  
Sajan ko pahuncha de re  
Chanda re

O aakaash ke sundar darpan  
Tu hi sajani tu hi saajan  
Bichhade dilon ko phir se mila de  
Rota chaman hansa de re  
Chanda re

Chanda re mori patiyān le ja  
Patiyān le ja  
Sajan ko pahuncha de re  
Wo likh sake jawaab unhein tu  
Mera pata bata de re  
Chanda re.
