

Naina lage panth nihar nihar
Naina to dukhan laage
Panth nihar nihar
Har dhadkan papiha bani
Ho piya pukar pukar
Naina to dukhan laage
Chanda re mori patiyen leja patiyen leja
Sajan ko pahuncha de re
Ho likh sake jawab unhe tu

Mera pata bata de re, chanda re
Chanda re mori patiyen leja patiyen leja
Sajni ko pahuncha de re
Ho likh sake jawab unhe tu
Mera pata bata de re, chanda re

Palko ki hai kalam banai
Kajal bahkar bani shayahi
Kaise likhu kahani gam ki
Tu hi mujhe bata de re
Chanda re mori patiyen leja patiyen leja
Sajan ko pahuncha de re chanda re

Hum khush hai gam diya hai tumne
Ye ehsan kiya hai tune
Jaha raho khush raho meri is
Dua ka asar dikha de re
Chanda re mori patiyen leja patiyen leja
Sajni ko pahuncha de re chanda re

O aakaash ke sundar darpan
Tu hi sajani tu hi saajan
Bichhade dilon ko phir se mila de
Rota chaman hansa de re
Chanda re mori patiyen leja patiyen leja
Sajan ko pahuncha de re
Ho likh sake jawab unhe tu
Mera pata bata de re, chanda re.
