

Ohdi cheez ohnu hi de bira
Bas ehsaan jataunde haan
Jinne har dhani te phul laaya
Assi ohnu phul chadaunde haan

Main soch reha eh phul mehboob nu de aavan
Main soch reha eh phul mehboob nu de aavan
Tere kadmaa 'ch chadhaun naalo te changa ae
Tere kadmaa 'ch chadhaun naalo te changa ae
Ehnu sunghiyen ohdi zindgi de
Do pal taa mehkan ge
Pathra nu gulaab sunghaun naalo ta changa ae
Pathra nu gulaab sunghaun naalo ta changa ae

Nir vele lodhi vedi kam aundi nahi
Har cheez lodh anusar lodh bin khaundi nahi
Chal raat kise di roshan
Chal raat kise di roshan
Chal raat kise di roshan sajna kar aaiye
Kabran te deep jagaun naalo te changa ae
Kabran te deep jagaun naalo te changa ae

Jitthe faayda dikh jaave koi uthon hilda nahi
Lodh ai jitthe rijak di utthe milda nahi
Meri jeb 'ch paan jo khadak reha
Bachiyen vich vand devaan
Teri golak de vich paaun naalo te changa hai
Teri golak de vich paaun naalo te changa hai

Majboori koi vekhe na randi randi kehnde ne

Je sach kehnde aa zakham mile jar jaavin tu
Bira ankhaan khol naalon te changa ae
Oh ankhaan khol naalon te changa ae
Soneya changa ae, heeriya changa ae.
