

Changubhala Song Lyrics

With the rhythm in your feet
And the music in the soul
Lift your hands to the sky
And say ganesha
He's your friend
When you need
He's the magic
In your beat
Lift your hands to the sky
And say ganesha

Nene nenea vere evarona
Nene unna sandhehamlonaa
Naa endamaavi daarullo
Navvulu poose
Naa rendukalla veedullo
Vennela kaase
Naa gunde chudu tholisaari
Ganthulu vese
Aa ninnallo monnallo
Kalalanni sadi chese

Changubhala changubhala
Changubhala ilaaga
Nenu yala maripoya
Chengumani bhalegaa

Changubhala changubhala
Changubhala ilaaga
Nenu yala maripoya
Chengumani bhalegaa
Yavvaname thurumane paripoye thuniga
Thirigi vacche nijamgaa

Intha goppaguntundha jeevitham
Indhradhanusu merisinattugaa
Thirigivacchi cherukunte naa gatham
Telusukontondhi manasemo melamellagaa
