Chanku Kattole Lyrics

Nammada first kissa

Aadhi mazha kondo paniyundo
Prananil chundin nanavundo
Randu guligangal mazhavillu
Thazhayaayambin munakkannu

Pular thaarame puthu malarkaalame
Ninakkayidha en vazhitharakal
Marichaalume naa maraneedumo
Ee nerangal priya nerangal

Chanku kattole chundu thottole
Chandraneppole chandamullole
Chilluvaalkanne chella vaakkaale
Chillupol nenjil keri vannone

Manchiraadhe ponchiraadhe
Raaviruttin njan thelikkum penchiraadhe
