

Kudiyon ka nasha pyare  
Nasha sab se nasheela hai  
Jise dekho yahaan woh  
Husn ki baarish me geela hai

Ishak ke naam pe karte  
Sabhi ab raas leela hai  
Main karoon toh saala  
Character dheela hai  
Ho main karoon toh  
Saala character dheela hai

Ladko ka nasha pyare  
Nasha sab se nasheela hai  
Jise dekho yahaan woh  
Husn ki baarish me geela hai  
Ishak ke naam pe karte  
Sabhi ab raas leela hai  
Main karoon toh saala  
Character dheela hai  
Ho main karoon toh  
Saala character dheela hai

lyrics

Like it like it...

Hai simple sa yeh formula  
Hai love ka funda khokhala  
Mujhe bas pyaas tu hi de  
Cool cool cool rehta hai

Kisi ka haath tham ke  
Hridaya kyun baad naam ke  
I love you forever koi  
Fool fool fool kehta hai

Isse pene se hai matlab  
Jo yuwan santarila hai  
Farak padta hai  
Kya baahon mein  
Munni hai ya sheela hai

Ishak ke naam pe karte  
Sabhi ab raas leela hai  
Main karoon toh saala  
Character dheela hai  
Ho main karoon toh saala  
Character dheela hai

Yeh charcha facebook pe hai  
Maza bas ek look pe hai  
Haseen cheehre ka kaun  
De dar dar dar dar karta hai

Jo dil ka photoframe ho  
Wahan photo bhi same ho  
Calendar ki tarah use  
Roj roj roj roj change karta hai

Kamar patli ho jitni bhi  
Maza utna naseela hai  
Chalega jo bhi hai  
Aankhon ka rang  
Kaala ya neela hai
