---

Vair pawa na kitthe te peya chadda na kade  
Kitho utth ke main aaya dilon kadda na kade  
Naa hi adde ajj tak naa hi adda main kade  
Hatth kayi aa de tan dekh ni ghumaune yaar ne  
Ni haje hoye kitthe ae

Charche ta haje aa karaune yaar ne ni  
Haje hoye kitthe ae  
Charche ta haje aa karaune yaar ne ni  
Haje hoye kitthe ae

Oh main hauli hauli chala manmarzi naal chala  
Meri pith pichhe hundiyan jo jaana sab gallan  
Chaar chillad je aan ton main pair ni hilaaye  
Jaane duniyan main kitthon utth maariyan ne mallan

Jehde haje tan karaune aa main khad ke tu dekhi  
Oh mittar'aa di film nu khad ke tu dekhi  
Full jurt naal jada ton halaune yaar ne ni  
Haje hoye kitthe ae

Charche ta haje aa karaune yaar ne ni  
Haje hoye kitthe ae  
Charche ta haje aa karaune yaar ne ni  
Haje hoye kitthe ae

Jehde khande saade maitho rooh de saale mahde  
Tahiyon kuttan de vich baade band kari payi aa  
Oh utton muh de mitthe saale dil de kaale chitthe  
Meri chubhdi aihna nu life khari paayi aa

Oh mainu lagda aa pehde ne sametne ni  
Jado jatt addi te aaya  
Ekko look vich fer main lapetne ni  
Jado jatt addi te aaya  
Ekko look vich fer main lapetne ni  
Jado jatt addi te aaya

Ho mainu middle class da aa kehan waleyo

Pani maar ke ni aaya hikk jorr naal aaya  
Ohde gharan de jawaak hunde aivein uthde ni  
Gallan maariyan ni kade chandaa gadd ke dikhaya

Ho patte vandne vi aunde  
Patte khone vi aa aunde  
Jehde hatt'de ni  
Yaar nu hataune vi aa aunde

Pehle veldi nu daiye  
Fer jutti aa chakki di  
Jehde pyaar di oh veeri  
Oh divaune ni aunde

Har vehle shukarana kar chakde aa fatte  
Chaaah saare dekhi maa de pugaune yaar ne ni  
Haje hoye kitthe ae

Charche ta haje aa karaune yaar ne ni
