Dheerulendaroo jagathiloo
Vaari thyagamu vyardhamavaka
Nadupu desamu pragathiloo

Thelavaadey nalla gundlanu
Ekkupedithey gundelo
Kaanaraadey beruku annadhi
Alluri kallaloo

Charitha choopani veerulendharoo
Terachi choostey putalalo
Kanthuleeney taaraleno
Tarachi choostey ningiloo

Naaracheeraley veera naarulai
Poru salipiri doralatho
Vaari spoorthini nuvvu pondhi
Sabalavaipo theguvathooo

Bharatha maatha ki mudhu biddalu
Okarey kaadu endharoo
Endharoo inkendharoo
Endharoo inkendharoo

Vaada vaada na subhash boselu
Veedhi veedhina bhagath singhlu
Udbavinchaali inkaa endharoo
Inkaa endarooo endharoo

Charitha choopani veerulendharoo
Terachi choostey putalalo
Kanthuleeney taaraleno

Tarachi choostey ningiloo.
