

O laga re laga nasha datoori
Laga re laga bada zaroori
Laga re laga pehli martaba
O laga re laga zubaan pe ghoda,
Ke jaise koi chaat chatora
Laga re laga pehli martaba

Taazi karari hai, guth ke utari hai,
Kismat garama garam
Sab pe yeh baari hai aise bimari hai,
Aaye na sharam
Chaska chaska laga hai chaska chaska
Bura hai chaska chaska, laga hai woo
Chaska chaska laga hai chaska chaska
Bura hai chaska chaska, laga hai wooo

Hey yeh chadh jaye to
Har dua aur koi dawa na asar kare
Thoda tedha hai majara
Hey yeh chakh jaye to sarfira,
Khwab se bhara bin khabar kare
Thoda tedha hai majara

Hey aaye na baaz aaye,
Har hadh se paar jaye
Yeh to hai woh bala
Jo har shararat aazmaye
Bachana tu lakh chahe,
Koshish bekaar jaye
Karke bhi sau daleelein,
Sau vakalat haar jaye

Taazi karari hai, guth ke utari hai,
Kismat garama garam
Sab pe yeh baari hai aise
Bimari hai, aaye na sharam
Chaska chaska laga hai chaska chaska
Bura hai chaska chaska, laga hai woo
Chaska chaska laga hai chaska chaska
Bura hai chaska chaska, laga hai wooo

Hey yeh lag jaye to sar jhuka,
Peerh bhi bhula, na asar kare
Thoda tedha hai majara
Hey rab ko bhi phone tu laga,
Har button daba, na asar kare
Thoda tedha hai majara

Khud ko hi kyun banaye,
Jhoothe nuske sunaye
Badle jo yeh haqeeqat
To ganeemat ho hi jaye
Galti se jaag jaye,
Dhokhe se baag jaye
Tere bas mein na phir bhi
Yeh museebat taal jaye

Taazi karari hai, guth ke utari hai,
Kismat garama garam
Sab pe yeh baari hai
Aise bimari hai, aaye na sharam
Chaska chaska laga hai
Chaska chaska
Bura hai chaska chaska, laga hai woo
Chaska chaska laga hai chaska chaska
