

Oo..pa ra pa, pa pa pa ..
Ta tara ta

Kabhi ladey ladey se thay
Kabhi adey adey se thay
Kabhi bhide bhide se thay
Bus yunhi jud gaye
Thode thode se meethe hain
Thode thode se khatte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain

Yeh toh murgiyon ke choosey se,
Sang ek dooje ke
Idhar udhar titar bitar, daudte phire
Yeh toh holi ke rang hain,
Alag hain par sang hain
Chehre pe chalke toh
Sab lagey ek se
Kahin gaalon pe laali hai,
Kahin jeb khali hai
Farak inn mein hai badey,
Inhe farak na padhe
Thode thode se meethe hain
Thode thode se khatte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Chatte batte hain

Yeh jalebiyon ke tukde hain,
Chaashni se ubhre hain
Tedhe medhe garma garam
Par meethe bhi hai
Yeh toh hawa ke jhonke hain,

Sarr sarr bahe
Kahin mummy ki thapki hai,
Kahin kaaton pe jhapki hai
Hai manzilein judaa par raah ek hai
Thode thode se meethe hain
Thode thode se khatte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Ab ek hi thaali ke chatte batte hain
Chatte batte hain, chatte batte hain.
