Haaye ni galbaat jori di  
Haaye ni galbaat jori di  
Haaye ni galbaat

Pourin out houston texas  
I'm like f\*ck my exes  
Talm' i disconnect us  
I got brand new bitches  
Then got head for breakfast  
Got a shot for any pussy  
Boy that disrespect us

No it don't matter to me  
When i got that lighter on me  
I pull up in the back of the v  
You know i keep shooters around me  
So none of these niggas gone chat about me

10 in the 4, 4 in the 10  
I'm pulling up icy  
Rolling around in a mclaren  
And the gun is right over the white tee  
Know that she like me  
I know that i'm pricey

She know that i roll with them niggas  
That's down to go roll with the ah ah  
Kill i nigga on a track then i come back  
In the same outfit  
Got my dream girl in dream car  
It ain't even come out yet

Pourin up the dirty in the sodas sodas  
Sitting in the back with the chauffeur chauffeur  
Choppa cut a nigga like a low cut  
Don't make a nigga pull up put it on ya

Pourin up the dirty in the sodas  
Sitting in the back with the chauffeur  
Choppa cut a nigga like a low-cut  
Don't make a nigga pull up put it on ya
