Nilavaramē kalavarama maari poi kedakka  
Antha kalavarathil kanavu ellam  
Theenju poi kedakka

Manushana nambi thaan  
Manushanum vaazhanum  
Manasil irukkum thiraigalum neenganum

Enakkoru neethi unakkoru neethiyum  
Kodukkum manushan manushana maaranum

Kadhala maranthutom  
Kanavellam karaichittom  
Kavalaiya sumanthu thaan  
Karpanaiyil kalanjittom

Pookala parichittom  
Boomiye kilichittom  
Porkalama aanathukku  
Karanama maarittom

Vedhanai unnai thaan  
Vegumathi aakkitom  
Saathanai panna thaan  
Sandhadiyil sarikkitom

Sodhanai mattume  
Sondhamaga vangitom  
Bodhanai pannuna  
Saakadiyil veesittom

Veruppa alli  
Oppanaiya poosittom  
Neruppa kakkum  
Vaarthaigalil moozhgitom

Aduthavan vazhiyila  
Avasaram puriyala  
Thanakena varaiyila
