Chilakku dakku dum dum dapakku dum
Chilakku dakku dum dum dapakku dum
Chilakku dakku dum dum dapakku dum
Chilakku dakku dum dum dapakku dum

Dummathoond anchor-u
Adhu pudikkira velaiyila kappaley nagarala
Thotta vedikkum banger-u
Yaar ops-u blacklist-u pirikkave mudiyala

Thalladum manasukku sandhegam yaar mela
Paalooti valathathu paayidhu maar mela
Mudhaya tholachittu thedura thaapaala
Kootoda azhikkanum aalkaatti gopala

Enna match-u enna team-nu theriyala
Kanna moodi kandu pudi porula
Kannaada saiyyam pithala
Kaya vutta raajanaga puthula
Tight-a podu vaai vepthala
Rummy sera podhu seettu kattula

Thedi ozhinjittu odi maranjittu
Moocha pudichittu thavikira vizhumbula
Thakka thadavula kaila maattuna
Surutti veesuvaan semippu kedayala

Kala varama
Aaraadhu velapula kolukanum thani marama
Thani marama
Thani marama

Kaatha athirvalaya
Aara verupula vegura erimalaya
Veriya verithanama
Vila pogum vancharama
