

Chehara tera chehara sapana hai mera
Chaahoon tujhe kitana na mujhe hai pata
Chehara tera chehara sapana hai mera
Chaahoon tujhe kitana na mujhe hai pata

Aa dhoondh le main kahaan kho gaya
Ye ishq mein hamako kya ho gaya
Chaahat ki ye jaane kaisi manzil hai
Ham kahaan hai ye bataana mushkil hai
Ab hamein inhiin raahon pe chalana hai
Kuch bhi ho ye rasta na badalana hai
Tanha ye do premi koi na teesara

Chehara tera chehara sapana hai mera
Chaahoon tujhe kitana na mujhe hai pata

Ye jism hai khushbuon se bana
Main hoon tere pyaar ka aayeena
Tere chhoone se badan to jalata hai
Jaane kitane rangon mein ye dhalata hai
Chingaari hai meri jalati saanson ki
Garmi hai ye meri pyaasi aankhon ki

Main pyaasa sahara hoon saavan ki tu ghata

Chehara tera chehara sapana hai mera
Chaahoon tujhe kitana na mujhe hai pata
Chehara tera chehara sapana hai mera
Chaahoon tujhe kitana na mujhe hai pata
Na mujhe hai pata
Na mujhe hai pata
Na mujhe hai pata.
