

Chennai City Gangsta Lyrics

Heyya
Oh my madrasi people
This is hard kaur
All the way from mumbai

Listen you hear
This peppy song
You better pump up the volume
Turn up the volume
Better pump up the volume

Here we got that
Gaana swag
Mumbai town is very fair
Make you rain like super stars
Too good models at the bar
Do the bhangra like punjabi
And our style is sona baabhi
Here we show you how to drink
And we show you how to party

You ain't got no goa beach
You ain't got no sharukh khan
You ain't got no india gate
And we shoot questions
You so late
Buy mercedes cars
Got that are rolling on my arm
So what you wanna say
Saala hip hop tamizhaa

Ungalukku india gateu
Engalukku lic weightu
Ungalukku goa la beachu
Engalukku marina thaana maasu

Unga ooru chapaathi kurumaa
Enga ooru idly pola varumaa

Naanga chennai city boysu
Chumma gammu nu kedamma

Saalaa

Ungalukku india gateu
Engalukku lic weightu
Ungalukku goa la beachu
Engalukku marina thaan maasu

Unga ooru chapaathi kurumaa
Enga ooru idly pola varumaa
