---

Udainche suryude nidrantu manade  
Nadireye datuthu kiranula savaari

Agaseti sandrame alupantu apade  
Daridaka sagutu keratala savaari

Chikadle chilchukuntu sankelle tenchukuntu  
Takaloy ningi anchu  
Padi padi talpadi nilbadga

Nuvvu savaari  
Chei savaari

Padale rekklavwale  
Nili ningaina chetikandale

Bhugolanne tiragakani apgaligedi avarasalu  
Nili meghanne kurvakani ajna vesina agadule
