

Chha raha hai koi nasha  
Aise huwa hai pehli dafa  
Main ghungaroo tu mera hai  
Phiru chal ho ja shuru leke maja  
Nind se ab fursat mili  
Khaab se ab rukhsat mili  
Tu khushbu tu hai jaadu  
Dil bekaabu hai ab mera

Aisa nasha huwa na tha kabhi  
Jo bhi huwa huwa abhi abhi  
Hey tere bina fiza fiza nahi tu  
Jo ho toh jahaan mein kya nahi  
Aaja gale lagaake mujhko tu pyaar kar  
Aaja mujhipe zindagi tu nisaar kar  
Dil bhi hai tu aur jaan bhi hai  
Tu mehfil hai tu meri sada  
Chha raha hai koi nasha aise  
Huwa hai pehli dafa  
Main ghungaroo tu mera hai  
Hiru chal ho ja shuru leke maja

Teri meri yeh daastan rahein  
Chaahe koi bhi raastan rahein  
Tere siva na ho koi safar  
Tere jahaan se waastan rahe  
Aaja gale lagaake mujhko tu pyaar kar  
Aaja mujhipe zindagi tu nisaar kar  
Teri kahoon aur teri sunu  
Bas teri rahu main ab sada  
Nind se ab fursat mili  
Khaab se ab rukhsat mili
