

Chhal kiya aa aa
Tu na jaane mohabbat hain kya
Chhal kiya aa aa
Tu na jaane mohabbat hain kya
Maine chaha tujhe ek hi khataa
Bewafa tu na jaane mohabbat hain kya
Maine chaha tujhe ek hi khataa
Chhal kiya aa aa
Tu na jaane mohabbat hain kya
Maine chaha tujhe ek hi khataa bewafa

Mere dil ko todne wale aa aa
Mere dil ko todne wale
Mujhko tanhaa chhodne wale
Barbaadi ki meri zindagi tune di yeh kaisi sadaa
Zaalima tu na jaane mohabbat hain kya
Maine chaha tujhe ek hi khataa bewafa

Teri kasmerein tere waadein aa aa aa
Teri kasmerein tere waadein
Kaise bhoola tu bataa de
Teri yaad mein fariyaad mein
Mere haal kaisa huaa aa aa
Jaane jaa tu na jaane mohabbat hain kya
Maine chaha tujhe ek hi khataa bewafa

Kaun sachcha kaun jootha
Kaun sachcha kaun jootha
Kis ne kiska chain loota
Mere saathiya tujhe kya pata
Aisi kar na mujhse gilaa
Chhal kiya aa aa
Tu na jaane mohabbat hain kya bewafa
Chhal kiya aa aa
