

Chham chham chham chham chham
Chham chham chham chham chham
Jadu dole jadu dole
Chham chham chham chham chham
Chham chham chham chham chham
Ghunghru bole kaise bole
Jadu dole jadu dole
Chham chham chham chham chham
Chham chham chham chham chham
Ghunghru bole kaise bole

Kyu aayi yeh julmi umariya
Ud ud jaye nigodi chunariya
Ho dekh ke chadti nadi si jawani
Dushman ban gayi sari nagariya
Chham chham chham chham chham
Chham chham chham chham chham
Sabke dil ko karde ghayal
Mere naina bhole bhole
Chham chham chham chham chham
Chham chham chham chham chham
Ghunghru bole kaise bole

Mujhko pata hain mujhko khabar hai
Meri nathaniya pe sabki nazar hai
Ha main to hoon ek nashe ki botal
Sabke dilo pe mera asar hai
Chham chham chham chham chham
Chham chham chham chham chham
Dekh ke mere roop ka jadu
Sabki niyat dole dole
Chham chham chham chham chham
Chham chham chham chham chham
Ghunghru bole kaise bole
Jadu dole jadu dole
Chham chham chham chham chham
