

Mila gulab to bhawre bhi gungunane lage
Nazar uthayi to mujhko sabhi diwane lage

Nasha shabab ka kaha chhupta hain
Huyi jawan to sab ghar ko aane jaane lage

Jawani ko rakha tha kab se chhupa ke
Main aayi hu logo se bachte bachaate
Jawani ko rakha tha kab se chhupa ke
Mai aayi hu logo se bachte bachaate
Haye raste mein haye raste mein
Haye raste mein jora jori ho gayi
Sab kehte hain sab kehte hain
Sab kehte hain chhori chhichori ho gayi
Sab kehte hain chhori chhichori ho gayi

Jab se nikammi jawani ye aayi
Behke kadam main sambhal bhi na paayi
Jab se nikammi jawani ye aayi
Behke kadam main sambhal bhi na paayi
Jaau to jaau main kis raaste se
Julmi nigodo se kaise bachaau
Baali umar mein kishori ho gayi
Sab kehte haiin sab kehte hain
Sab kehte haiin chhori chhichori ho gayi
Sab kehte haiin chhori chhichori ho gayi

Mauhalle mein mere hain saare diwane
Khinche dupatta mujhe maare taane
Mauhalle mein mere hain saare diwane
Khinche dupatta mujhe maare taane
Main agge agge jaau wo piche piche aaye
Mar jaau sharam se par wo naa sharmaye
Khincha-taani mein angiya bhi chori ho gayi
Sab kehte hain sab kehte hain
Sab kehte hain chhori chhichori ho gayi
Sab kehte haiin chhori chhichori ho gayi
Sab kehte hain chhori chhichori ho gayi
Chhichori ho gayi raani
