

Dil jo kahein woh karein
Deewaro pe bhi hum chale
Ke aasan hain sabhi mushkile
Jab se milla tu humein
O chetan chhota chetan
O chetan chhota chetan
Dil jo kahein woh karein
Deewaro pe bhi hum chale
Ke aasan hain sabhi mushkile
Jab se milla tu humein
O chetan chhota chetan
O chetan chhota chetan

Manzil pe jaana hain
Rastein banayenge
Manzil pe jaayenge hum
Na rukenge kabhi badhate ye kadam
Ho aankhon ke sapne
Hakiqat banayenge
Kyaa kyaa karenge hum
Panchhi o ki tarah
Udd bhi jaayenge hum
Dosti jo huyi khil gayi zindagi
Door sab gham huye
Mil gayi har khushi
Ab aur hum chahein
O chetan chhota chetan
O chetan chhota chetan
O chetan chhota chetan

Upar se dekho to lagta hain
Jaise bani aasman ye zameei
Aa raha hain maza ye teri dosti
Ho ye saath tera lage kitana pyaara
Humain na rulana kabhi
Humse hoke judaa tu na jaana kabhi
Dosti jo huyi khil gayi zindagi
Door sab gham huye
Mil gayi har khushi
Ab aur hum chahein
