

Chhoti si ek bagiya mein  
Khile nanhi munni si ek kali  
Sabnam ke sang jhula jhule  
Aur mast pavan ke sath pali  
Chhoti si ek bagiya mein  
Khile nanhi munni si ek kali  
Chhoti si ek bagiya mein  
Khile nanhi munni si ek kali

Bachpan ka zamana beet gaya  
Joban ki suhani rut aayi  
Aur apne man hi man mein  
Bharatlyrics.com  
Kuch muskayi kuch sarmayi  
Itne mein kahi se ek bhawra  
Kuch gungun karta aa pahucha  
Aankho aankho mein baat hui  
Isne dekha usne dekha  
Nadan kali us papi ki  
Is tan mein sab kuch bhul gayi  
Aur tod ke nata bagiya se  
Bhawre ka daman tham chali  
Dono ne basa li ek duniya  
Armano ki aashao ki  
Ek duniya mast tarano ki  
Ek duniya thandi chavo ki  
Chhoti si ek bagiya mein khili  
Nanhi munni si ek kali  
Chhoti si ek bagiya mein khili

Chhoti si ek bagiya mein khili  
Nanhi munni si ek kali  
Chhoti si ek bagiya mein khili  
Nanhi munni si ek kali  
Haste haste kuch din gujre  
Phir kali ne ek sapna dekha  
Ek chand ka tukda aangan mein  
Aakash se tut ke aan gira  
Us chand ke tukde se duniya  
Un dono ki aabad hui

Lekin yeh khushi do din ki thi  
Do din gujre barbad hui

Bhawre ne kali ko thukraya  
Aur aankh chura kar chala gaya  
Kya reet yahi hai duniya ki  
Koi na kisi ka meet hua  
Bhawre se shikayat kaun kare  
Jab kismat ne muh mod liya  
Ik phool khilaya khushiyo ka  
Aur apne hatho tod liya  
Kyu mujhko diye aasu gham ke  
Duniya ko hasane wale ne  
Kyu tod liya hai phool mera  
Ek phool khila anjane mein.
